

Putting the  
**WOW!**  
into Learning

Preparing students  
for the  
**World of Work**

## Wales High School

### The Vision

To make our LocalBiz community website the place where local people go to find out what is happening in the area – an indispensable “whats on” guide in Kiveton and surrounding villages.

A useful tool for people new to the area to find out what is happening and how they can get involved.

An opportunity for local community groups to publicise their events and attract interest from local people.

### Target Groups

As a recently appointed Enterprise Hub school we have a responsibility to work with other comprehensive schools across South Yorkshire to disseminate good practice in relation to enterprise education. We will be putting on events in collaboration with our “Spoke” schools who are:

- Edlington (Doncaster);
- City School (Sheffield);
- Chaucer School (Sheffield);
- Fir Vale School (Sheffield); and
- Penistone School (Barnsley).

We are hoping that the community web site can be used to help us publicise these events and in turn attract a wider audience as the information will be appealing to people across South Yorkshire.

### The Plan

Gifted and Talented students from our current Y9 cohort will form the management committee for the community website. They will be responsible for planning how we are going to attract peoples interest and get people to use the site as we intend. They will work on gathering information from local community groups and input this onto the website.

They will also work closely with students on the Business Administration course (starting Sept 2006 with a year 10 group) who will support the management committee with things like pro-formas for gathering information, inputting data and general administration tasks as needed.

### Business & Enterprise

We will also be looking to target:

- ✿ Primary Schools and their Parent Teacher Associations.
- ✿ Scout and Guide Groups
- ✿ Play Groups
- ✿ Local Church Groups
- ✿ Pubs and other entertainment venues
- ✿ Voluntary groups
- ✿ Community Care Centres
- ✿ Local Groups eg Theatre Groups etc.
- ✿ Our school Parent Teacher Association
- ✿ Local Sports Groups and Teams

We are also working quite closely with the Local Community Development Trust which is an organisation set up to work with a number of community bodies to promote the regeneration of the area. The development trust will be able to provide us with lots of information about what is happening in the area in terms of regeneration projects, the developments of new community initiatives and any new employment opportunities for local people.
